CRUISE Beyond in Asia

NEW 2027 AND 2028 VOYAGES: JOURNEY THROUGH AGES AND EMPIRES

Few places in the world balance old and new, tradition and modernity, simplicity and complexity as strikingly as Asia. Join us aboard our new 224-guest *Star Seeker* and set a course for Japan, Thailand, Singapore, Vietnam, Cambodia and beyond.

How Will You Cruise Beyond in Asia?

You might glide down Japan's Inland Sea, brimming with natural beauty and dotted with shoreline villages — a route especially suited to small ships and yachts. Stretch your culinary horizons savoring a bowl of steaming noodles at a local eatery in Takamatsu or fresh tuna sashimi prepared at the Shimizu Seafood Market. Or take part in an inland tour to Khmer ruins of Angkor Wat, sacred Buddhist temples, floating markets, street food quarters and other less-traveled treasures of Vietnam, Cambodia and Thailand.
